PROFESSIONAL EXPERIENCE

Loblaw, Atlantic Superstore Young St.

Oct 2017-Current

Replenishment (Grocery) Clerk Oct 2017-2020

- Unloaded Daily orders & organized the products onto the shelf floor accordingly.
- Ensured all aisles are faced & organized and full.
- Ensured all aisles were swept + mopped.

Month Year

Online Shopper (PC Express) Clerk 2020-2021

- Picked orders in a fast-paced environment to ensure customers' orders were ready by their order time.
- Managed people's orders once they were finished being picked and finalized the receipts and charged customers.
- Brought the orders out to the customers vehicles and loaded them into their vehicle accordingly.
- Ensure department was cleaned after every shift

Month Year

Assistant Deli Department Manager 2021-Current

- Unloaded Daily orders & organized the products onto the shelf floor accordingly.
- Manage what comes in on the daily orders.
- Make employee's schedule for the other people working in the department.
- Clean & organize the department daily to ensure it is always looking in the best shape.
- Ensure customer's food trays + meat ordered was prepared to their satisfaction.
-

Gracenote, Halifax, NS

January 2018-
2019

Data Entry Clerk

- Had to implement sports data through live updates of ongoing games.
- Keep the website updated at a real time speed for consumers to get the most accurate information.
- I would work multiple games at once and a super-fast pace, because depending on how slow or fast I went really affected the consumers.
